FENMI CASA

Embracing the philosophy of "less is more," this minimalist upholstered bed highlights pure form and quiet elegance. With its soft padded headboard, premium materials, and understated detailing, it creates a serene space for rest and relaxation.

Low-profile design creates an open and airy atmosphere.

design philosophy of its author who shows a preference for simple shapes - pure and elegant in their linear form without any additional decoration to underscore the concept of function.
The many elements can create both formal and social configurations in an extensive range of sizes.

filosofia progettuale del suo autore che predilige forme semplici, pulite ed eleganti nella loro linearità, spoglie di ogni apparato decorativo all'insegna della funzione. I numerosi elementi di cui è composto sono in grado di dar vita a configurazioni sia formali sia conviviali in un'ampia gamma dimensionale.

(Bed) Dambodue
Piero Lissoni

The Dambo bed family expands with Dambodue, a new version with a particularly generous shape and richly upholstered back and armrests. The seat is direct and rests on the floor, emphasised at the base by a bronzed nickel painted profile that gives it a particularly strong character. While presenting linear geometries, the design has been carefully studied to ensure comfort and functionality.

(Table) Assiale
Piero Lissoni

Assiale is a table that stands out for its essential design, strongly distinctive presence, and contemporary character. It is offered in two versions: fixed and extendable. The table in the fixed version, in two sizes with a 250 cm and 294 cm top, is made of Levanto red marble that gives it a monumental appearance while maintaining the essentiality of the design.

FENMI CASA

HY- GSWGC2432

The legs are available in black Marquinia and white Carrara marble, or oak wood in different finishes - light brushed, black brushed, grey - to match the top in extra light transparent glass. Isos is also available entirely in wood - top and legs in light brushed, black brushed or grey oak - for a solution that adds a touch of warmth and naturalness to the environment.

FENMI CASA

(Beds) Isos Piero Lissoni

The Isos table was born under the banner of transparency and visual lightness. What characterises it are the cylindrical legs, load-bearing elements that enjoy an elegant design detail: chisel-tipped, they are grafted to the top by means of a steel plate that lends solidity and style.

FENMI CASA

Vista posteriore

Dambodue proves to be surprisingly comfortable and cosy, while maintaining a seat with limited depth. The range includes the linear bed in two- or three-seater versions and a variety of elements to create different types of compositions.

The bases in rigid lacquered polyurethane and the tops in smoky or transparent glass, both with central serigraphy, are the elements that give life to a transversal product, capable of adapting to multiple functions and uses. The result of Monica Armani's vision, combining taste, elegance and modernity in a single proposal, Allure O' Dot is available in three colours.
The Flair O' Maxi small armchair echoes the design of the successful Flair O' chairs boasting bigger sizes for extra comfort.

The Collection beds

Characteristic of the extendable version is the special extension system that allows the size of the table to be enlarged by simply sliding the top. Thanks to this system, the 210 cm top extends up to 294 cm, while the 250 cm top reaches 334 cm, thus adapting to different space and usage requirements. The extendable version is available with a glossy or satin lacquered finish in all the colours of the Gainsiville's collection.
